VOLUNTEER APPRECIATION WEEK: IGNITE VOLUNTEERISM (April 18-25)

As we celebrate your service, we are reminded of the heart of Christ, who came not to be served, but to serve. Your dedication is more than just "help", it is a living testimony of God's love in action within our church family. You are the hands that welcome the stranger, the hearts that pray for the broken, and the spirits that find joy in the "behind-the-scenes" work that keeps our community thriving.

We want you to know that your presence is a gift. Without your "yes" to God's calling, our mission would not be possible.

We thank God for you daily, mindful that "your labor in the Lord is not in vain" (1 Corinthians 15:58). Thank you for your tireless energy, your infectious faith, and for choosing to pour your life into others. You are a blessing to Guardian Angels Parish, and we are profoundly honored to serve alongside you.

prevent Medical Assistance in Dying (MAiD) from being provided when mental illness is the sole underlying condition. Without this change, MAiD will be available for those suffering from mental illness alone beginning in March 2027. Chances are you know someone struggling with mental illness — a family member, friend, or colleague. As Catholics and Canadians, we are called to offer care, hope, and protection — not death — to those who are suffering and most vulnerable.
