SACRAMENT (check the ones that apply):

- First Reconciliation
- First Holy Communion
- Confirmation

My child / children and I have read, understood, and agree to comply with the requirements laid out in the letter from the Parish Priest regarding virtual Catechism classes.

I consent so that the above student participates in the Guardian Angels Parish remote learning program for Sacramental preparation during the year 2020 - 2021.

It is understood that virtual sessions replace the lessons that are not delivered in the Church’s premises, due to the restrictive measures of the Peel Public Health to curb the transmission of COVID-19.

This consent will remain valid from the date it is received and will be voided on / by the completion date of the virtual Catechism classes for your child / children.

Should a child be removed from a virtual session (due to inappropriate behaviour), a new consent form must be completed, signed, and submitted before the child is permitted to join subsequent virtual classes.
